STUDENT

**Tony Katz**

**\$250,000 IN 12MOS**

Tony's journey took him from homelessness to homeownership and establishing a family, all through the launch of a remote home cleaning enterprise.

This venture not only paved the way for Tony to amass wealth from nothing but also offered him the flexibility to nurture a family according to his own timetable. His remarkable success has evolved his role from a learner to a mentor, enabling our clients to benefit from his insights.

Alongside other mentors who have successfully scaled their businesses into multi-million dollar ventures, Tony contributes to a pool of expertise accessible to our clientele.
